Our information for you

We will provide musicians and caller for a fee of £ inclusive

We would request **payment in cash on the night** unless agreed otherwise in advance. We would kindly ask you to make the payment either **at the start of the evening or during the interval**. The deposit is non-returnable if the booking is cancelled within 12 weeks of the event. A cheque for the deposit should be made payable to C. Andrews. We also reserve the right to charge a cancellation fee if the event is cancelled at short notice. Please contact us as soon as possible if you have concerns over the viability of the event. Events continuing after midnight are charged 25% extra.

We shall require access to the venue 30 minutes before are required to start playing, in order to set up our equipment & carry out sound checks. We shall require access to a safe 13 amp power supply (2 sockets preferred).

For events in the open air, we shall require adequate shelter for ourselves and our equipment in the event of inclement weather. Dew after dusk, excessive dust and/or draughts in barns or marquees may also cause problems for us playing.

We would expect to take a short break during the event if we have been booked for more than 2 hours. During this time if food is to be available for guests we would kindly ask to be included. Please advise us if this is not possible.

We are happy to discuss or advise on any aspect of the arrangements with you at any time. We suggest that you make a copy of this booking form for your own records.
